

Password Generator screenshots

Initial screen

The initial screen of the Password Generator features a light blue background. At the top center, the title "Password Generator" is displayed in a large, bold, dark blue font. Below the title, the heading "Generate a Password" is shown in a bold, dark blue font. Underneath this heading is a large, dashed rectangular box containing the text "Your Secure Password". At the bottom center of the form area, there is a prominent red button with rounded corners and the text "Generate Password" in white.

Password length selection

This screenshot shows the "Password length selection" dialog box overlaid on the initial screen. The dialog box has a dark gray background and contains the following text: "This page says", "How many characters do you want your password to contain?", and "Choose a number between 8 and 128 inclusive." Below the text is a text input field with a blue border, containing the number "10". At the bottom right of the dialog box are two buttons: "Cancel" and "OK". The "OK" button is highlighted in blue. The background of the initial screen is visible through the dialog box, showing the "Generate a Password" heading, the "Your Secure Password" box, and the "Generate Password" button.
